

GROUP THERAPY

SOCIAL SKILLS GROUPS

Our groups teach specific social skills through direct instruction, modeling, and hands on activities.

Ages: 4-16 year olds. Placement is based on age and developmental level.

Please contact Dr. Lauren Brown for additional information.

ADOLESCENT GIRLS GROUPS

Designed to give girls an opportunity to feel connected, while exploring issues and gaining self-awareness. A few of the topics will be self-esteem, self-identity, friendships, and decision-making.

Please contact Dr. Lauren Brown for additional information.

If you have a specific group request, we would love to hear about it!
